Professional Summary

To secure a position in a growth-oriented organization where I can apply my technical skills, contribute effectively in a team environment, and continuously enhance my professional capabilities through dedication and hard work.

Education

Sambalpur University, Jyoti Vihar, Odisha M.Sc. in Computer Science (Hons.) — CGPA: 8.81	2024 – 2026
Dharanidhar Autonomous College, Keonjhar, Odisha B.Sc. in Computer Science (Hons.) — CGPA: 8.37	2021 – 2024
Sri Aurobindo Science College, Cuttack, Odisha CHSE (Class XII) — Aggregate: 82.83%	2019 – 2021
Dimiria G.P. High School, Pallahara, Angul, Odisha BSE (Class X) — Aggregate: 81%	2018 – 2019

Certifications

Cloud Computing — IIT Kharagpur — NPTEL Certificate: View Certificate — Score: 55%	Apr 2025
Human Computer Interaction — IIIT Delhi — NPTEL Certificate: View Certificate — Score: 73%	Oct 2025

Research Papers

Multi-Behaviour Analysis of Dairy Cows for Thermotolerance Assessment Status: Under Review Area: Computer Vision, Deep Learning, Behaviour Analysis, Machine Learning View Research Paper	April 2026
AI-Based Traffic Control System with Real-Time Ambulance Priority Status: Ongoing Research Work Co-Authors: Bipasa Naik , Utkal University Area: Artificial Intelligence, Intelligent Transportation Systems View Research Paper	May 2026 – Present

Projects

Baker's Kitchen – Online Food Ordering Web Application GitHub: https://github.com/bipasa2003/bakers-kitchen	May 2022
HungR – Connecting Local Caterers and Students for Affordable Meals GitHub: https://github.com/sannskaarr/HungR.git	Dec 2023

Skills

Programming Languages: C, C++, Java, Python, JavaScript
Web Development: HTML, CSS, React.js, Node.js, MySQL
Artificial Intelligence & Machine Learning: Machine Learning, Deep Learning, Computer Vision, YOLO, OpenCV, NumPy
Core Computer Science: Data Structures, OOPs, Human Computer Interaction (HCI)
Tools & Platforms: Git, GitHub, VS Code, Overleaf
